RE: Application of South Carolina Electric & Gas Company for Adjustments in the
Company's Electric Rate Schedules and Tariffs
Docket No. 2007-229-E

Dear Mr. Terreni:

On June 15, 2007, South Carolina Electric & Gas Company ("SCE&G" or "Company") filed a Notice of Changes and Application for Increase in Rates and Charges ("Application") with the Public Service Commission of South Carolina ("Commission"). The purpose of this letter is to inform the Commission that SCE&G will not file any quarterly rate of return reports for its retail electric operations during the pendency of this proceeding and until the Commission issues a final order in the above-referenced docket.

The Application and the exhibits attached thereto contain information that the Company typically includes within its quarterly reports to the Commission. Therefore, SCE&G is informed and believes that the Application complies with the Company's quarterly reporting requirements. After the Commission issues its final order in this docket, SCE&G will resume filing rate of return reports for its retail electric operations with the Commission on a quarterly basis.

By copy of this letter, we are notifying the South Carolina Office of Regulatory Staff that the SCE&G will not file any retail electric quarterly rate of return reports until the Commission issues a final order in this docket.

If you have any questions, please advise.

Very truly yours,

K. Chad Burgess
